Registered Name: P'zazz Swedish Summer Design

Registration Number: SE49289/2013

Microchip/Tattoo Number: 752096700011344

Breed: **Tibetan Spaniel**

This dog is a CARRIER of PRA3

Authentication code: AC1291573

Explanation of terms:

CARRIER: these dogs have one copy of the mutation and one normal copy of DNA. These dogs will not develop PRA themselves as a result of the PRA3 mutation but they will pass the mutation on to approximately 50% of their offspring. We cannot exclude the possibility that carriers might develop PRA due to other mutations they might carry that are not detected by this test.
